

## Town Of Lovell

Selectmen's meeting minutes January 20, 2009

Attendance- Bob Drew, Rick Eastman and Stephen Goldsmith. Larry Fox and Gene Spender were also present.

2. Some members of the milfoil committee came on; Dean Stearns and Gerry Nelson. They wanted to discuss and defend their budget request for 2009.
3. Tom Henderson and Bill McCormick came in to discuss a proposed article for this year's Town Meeting. The article basically asks the Town to give the GLLT \$15,000.00 for the next three year from the Conservation account towards the purchase of Amos Mountain. There was much discussion but we told the two that we would allow this article. We are going to have our attorney review it just to make sure it is acceptable. We also suggested that the GLLT hold a public forum to discuss this.
4. We talked with Bill McCormick about some concerns that were brought to our attention about a possible conflict of interest with him being the President of the GLLT and also his sitting on the planning board. We will make Ed Ryan aware of our discussions with Bill.
