

Town Of Lovell

Selectmen's meeting minutes October 28th, 2008

Attendance- Rick Eastman, Bob Drew and Stephen Goldsmith. Larry Fox was also there.

1. We approved last weeks minutes.
2. Bon has spoken with Bergeron regarding the Cushman Pond Dam. We have spent to date \$19,011.61. We are on target and we will see if we need to add a little to this for next year.
3. We will have Buzz Pratt come in on November 11th regarding the Koski property.
4. We received the minutes and agenda from MMWAC.
5. The building committee met with the architect and the site location was viewed as a good site. We will have some figures and a drawing sometime in early January.
6. We received some information from Affiliated Health regarding testing.
7. The footing was poured for the transfer station pad.
8. We received a brochure about survivors of suicide; a copy is in the minutes.
9. We received a notice from B& L oil stating that their supplier has converted to a blended ethanol gasoline. ! 0% will be ethanol.
10. We received the 2008 salary survey.
11. We received the CDBG grant booklets.
12. We talked about a replacement for the Web master since Ed Nista wants to step down.
13. The town crew broke a telephone cable, however all procedures were followed a report was made and the PUC was notified.
14. Adjourned at 9:00 P.M.
