

Town Of Lovell

Selectmen's meeting minutes December 2nd, 2008

Attendance- Rick Eastman, Bob Drew and Stephen Goldsmith. Larry Fox, Gene Spender Bryan Molloy, Tom Henderson and Ron McAllister were also present.

1. We approved last weeks minutes.
2. Bryan Molloy came in to discuss his dissatisfaction with being harassed by members of the GLLT. As we discussed in September's minutes we were looking into a possible Ordinance violation, and according to Bryan some members of the GLLT were causing him a great deal of stress by their accusations. The Town's Ordinance book states that one needs a soil and water conservation plan and we told Bryan to contact the Oxford County Soil and Conservation Committee to work this out.
3. Karen Lipiatos came in to give the Town a check for \$685.72, which is to be used for the Friends Helping Friends Fund. The money was raised in a chili cook off.
4. Rick Eastman donated a cord of wood to be used for anyone needing help this year with fuel assistance.
5. Tom Henderson came in to present to the Selectman the report that was done with a grant looking at the ecological resources in the Kezar River and Cold River watershed and the impact it has. They have decided to expand the scope of this to also include the cultural resources as well as ecological resources.
6. We briefly discussed animal husbandry in the village and Ron has already been in contact with JT Lockman from SMRPC regarding this issue.
7. We signed the warrant.
8. We reviewed the plans for the new Town office.
9. Adjourned at 8:00 P.M.
