

Town Of Lovell

Selectmen's meeting minutes February 5, 2008

Attendance- Bob Drew and Stephen Goldsmith. Larry Fox, Gene Spender.

1. We approved last weeks minutes
2. There is no drug or alcohol test this month.
3. Bob spoke of the Kioski property and there seems to be a few people down at Ladies Delight that are upset about the Town potentially selling that property. Bob spoke with our attorney about this. We, the Town already own this property and we are just trying to get a clear title. The property was foreclosed. We are trying to get an idea of what an easement might cost. Bob spoke with Ed Nista and Stan Tupe.
4. Steve Goldsmith had a call from Ron Cheney regarding the ground up chips at the transfer station. Ron is asking for a copy of our Operation procedures as well as any history of DEP fines over the last 5 years. Steve told him that as soon as Rick returned from his vacation he would take care of this. Ron's address is P.O. Box 913, Wells, Me 04090. His telephone number is 532-7480
5. Larry Fox had a discussion with Mark Greeney about the possibility of him cutting the right of way on Old Waterford Road from Fran Dube's house to Eastman Hill.
6. We adjourned at 8:30 P.M.
