

Town Of Lovell

Selectmen's meeting minutes June 24th, 2008

Attendance- Bob Drew and Stephen Goldsmith. Larry Fox and Gene Spender were also there.

1. We approved last weeks minutes.
2. We received information about Larry and he will have a follow up with Maine Orthopedics.
3. Larry had Dick Fox look at the Town Hall. He has put in a cable with turnbuckles and has been able to bring back the North wall, the building is now saved and can be used for functions. The big problem is that the footings and sills need to be replaced. We are looking into writing some grants to be able to fix this historical building.
4. We received a notice from Concentra about some price increases.
5. Bob wrote to MMA and ask about whether the Town could be the beneficiary of a land trust. MMA wrote back stating that the Town could but it would have to be approved and accepted at a Town meeting. A copy of this is in the minutes.
6. We discussed the Koski property.
7. We received a letter from the DEP regarding the approval of the Town's Zoning map amendments. A copy is in the minutes.
8. We received the quote from Messers regarding the dump trailer. A copy is in the minutes.
