

Town Of Lovell

Selectmen's meeting minutes September 2, 2008

Attendance- Rick Eastman, Bob Drew and Stephen Goldsmith. Larry Fox was also there.

1. Martha Wilson came in to resign as the Town's health officer. She will help us for a while if we need it. This is really an appointed position and not an elected position. There is more information from the state regarding this position in the minutes.
2. We had an accident with the Town's grader on Thursday on Eastman Hill. Scott Gardner sustained some minor injuries and is doing fine. All of the proper insurance forms have been filed.
3. The Cushman Pond project is moving forward and easements have been signed. Bob will be going to Portland next week to meet with the State to see if we can expedite the permitting project.
4. Signs have been made for the transfer station regarding the collection of returnables and will be posted.
5. Mr. Boiling has called Rick and he will make every effort to reimburse the Town for the recyclables that he owes us.
6. We accepted last weeks minutes.
7. Danny Charles will be picking up two (2) of the portapotties this week.
8. We reviewed and signed the information from Tom Chandell regarding the Town's audit.
9. Larry will be getting the sand shortly. We will be receiving 3000 yards. In the minutes two weeks ago we put down 25 yards and it should have been 2500 yards.
10. Larry will be doing an inventory of the roads. We discussed the roads and we will try to come up with a capital improvement plan for the roads.
11. Adjourned at 9:10 P.M.
