

## Town Of Lovell

Selectmen's meeting minutes August 4th, 2009

Attendance- Rick Eastman, Bob Drew and Stephen Goldsmith. Larry Fox was also present.

1. We approved last week's minutes.
2. Rick Buzzell came in to thank us for letting the Town of Fryeburg hold their swim lessons in Lovell at The Narrows beach. He also inquired into whether or not Lovell would allow this in the future. We told Rick that this would probably be something we would bring up at a town meeting.
3. Steve met with Tim Thurston from the Department of Conservation. He came down and installed seven (7) new Headway speed buoys. Charlie Dattelbaum went with him. Tim also told Steve that the State might be able to take care of all of our Hazard markings for the future. We presently have 45 buoys out. These would have to be checked tri-weekly. We will budget for our costs for this. The Selectman will write a letter in support of this. Currently, we were informed that the present buoys were not compliant with the State Rules. We also learned that as of next year we will need to apply for a permit for our swim buoys.
4. We reviewed the real estate transcripts.
5. We received a request from CMP for a pole location. We signed this.
6. We received some information back from the State Police regarding some concealed weapons permit applications.
7. We received the bid request from Northeast Bank.
8. Bob spoke with Fred Packard and was able to get some information on septic plans.
9. Bill Perry from Chatham will be coming in on the 18<sup>th</sup> to discuss and review their contract.
10. We adjourned at 8:45 P.M.
