1. We approved last weeks minutes.
2. We adopted the authorization for the Tax Anticipation Note and we all signed it. The wording is in the minutes
3. We signed a liquor license for Kezar Lake marina.
4. We received a letter from the Kezar Trailbreakers acknowledging the receipt of a check for \$200.00 from the Recreation Committee.
5. We discussed the bulldozer again. Larry will be trying out an excavator next week. Larry feels that we should fix the bulldozer. The salesman told Larry that if we put money into the bulldozer we certainly would get our money back down the road. We decided to wait until next week before we make a decision.
6. Rick spoke with PJ Mechanical and he does have insurance, which we will get a copy of as well as a certificate from the person who actually is going to install the furnace. No work will be done without this. The State also called and will be checking on this project.
