Selectmen's meeting minutes May 11th, 2010

Attendance- Bob Drew, Turf Ramsden, and Stephen Goldsmith. Larry Fox, Scott Davidson and Scott Gardiner.

1. We met with the Selectman of Stow to discuss the transfer station and the cost of running the facility. We told them that we would need to change the fee schedule and that in order to stay with us this would happen next year. They all seemed to be very receptive to this. Mike Mendonca, Kate Ela, and Roger Kiesman were present.
2. We discussed Eastman Hill again. Bob will be sending an email to both the Korth's and DEP outlying the project we will undertake.
3. Todd Manzer came in to discuss the road projects. Larry received 4 bids this year. The bids were from Pike's, Manzer, FR Carrol and Pine Tree Paving. With the help of Todd we deciphered the quotes and it appears that the lowest bidder this year was Pike's so we awarded them the work. The quotes are in the minutes book.
4. The minutes were accepted from last week.
5. We signed the School warrant.
6. We received information from the Kezar Lake Watershed Survey Committee; a copy is in the minutes.
7. Turf had a discussion with Tensy McDonald and she would like to be put on the agenda for next week to discuss the beaches and Fryeburg's swim program.
8. We received some information from MMA regarding nominations.
9. The docks will be put in next week.
10. Wally's truck at the transfer station has been moved out back.
11. Adjourned at 9:03 PM
