

Town Of Lovell

Selectmen's meeting minutes February 23rd, 2010

Attendance- Bob Drew, Charlie Fowlie and Stephen Goldsmith. Larry Fox, Scott Gardiner, Turf Ramsden, Gene Spender, Jason Wentworth and Scott Davidson were also present.

1. The minutes were accepted from last week.
2. We received the Lovell Rec's letter for the Town report as well as their minutes.
3. We received a request from White Mountain Community Health for this year's Town meeting. We are not going to accept this as it is past all deadlines and the book has been printed. Steve will call them.
4. We received information from Time Warner.
5. We received some information about the Casino referendum.
6. We received some information from 2-1-1-Maine to review and make any necessary corrections. Steve signed this.
7. We reviewed and signed the warrant.
8. Jason Wentworth came in to discuss his wanting to sell to the Town a box trailer. Apparently Larry had already looked at this and he thought it was a good idea. This trailer will allow us to take twice the load as we can now since we can stack the gaylords. Charlie made the motion and Bob seconded it. It was also mentioned that we sell the oldest/worst trailer we have at the transfer station. The vote was 2-0-1 as Steve abstained. (Steve felt that he did not have enough information about the trailer to make an informed decision.)
9. Jason brought up the possibility of the Town looking into redesigning the transfer station to accommodate packer trucks. He was hoping that this could be done in the future.
10. Steve informed the board that a reporter had called him from the Advertiser Democrat regarding a vote the board made at a previous meeting about not writing a letter in support of Community Concept's low income housing projects. Steve explained that we might not have fully understood what was being asked of us and that we would reconsider this at a future meeting. We discussed it and it was decided that if we received more detailed information from Community Concepts that we would reconsider writing a letter in support of this.

11. Steve spoke with Katie Haley and Martin Krauter about helping us during Ronnie McAllister's absence. They agreed and they will keep a log of how many times they came out so that we can fairly compensate them for this coverage.

12. Steve called about some Historical Grants.

13. Steve called to follow upon the Tennis Court Grant.

14. The board adopted the SOG's for the RECYCLING CENTER ATTENDANTS JOB DESCRIPTION. We all voted in favor.

15. Steve spoke with Trio about some issues and they should be resolved shortly.

16. We discussed the roads.

17. We discussed the upcoming Town Meeting.

18. We went into executive session at 8:15 p.m. to discuss some negotiations and personnel issues.

19. We came out of executive session at 9:20 p.m..

20. We reviewed the John McKeen Scholarships and we decided that of the 19 applicants we were not going to accept two (2) of them because they did not include all the financial information requested. Of the remaining 17 we decided to split whatever is available among them all.

21. Bob told us that he met with the GLLT to discuss the Koski property.

22. We adjourned at 9:50 p.m.
