

Town Of Lovell

Selectmen's meeting minutes February 14, 2012

Attendance: Turf Ramsden, Bob Drew and Stephen Goldsmith. Larry Fox, Tom McKenzie and Jason Wentworth were also present.

1. We first met with some of the LIPPC Committee (Gene Spender and Tom Hughes). We discussed the wording for their article for the Town Warrant on March 3rd. They also wanted to tell us that the pay for the CBI inspectors will be \$9.00 per hour which is in line with what other groups pay. Another question that they asked was could one person receive two different pay rates depending on what job they were doing. More discussion is needed on this issue.
2. We accepted last week's minutes.
3. Tom McKenzie reported that the generator is working at the Fire Station. He also has been getting quotes on insurances for the Fire Department. Tom also informed us about a new law that might be passed in the State regarding workers compensation and volunteers.
4. The work at the stump dump is finished.
5. We will add to Article 18 the wording "restricted" for this years Town Warrant.
6. We read a resignation letter from Walter Grzyb who was on the Planning Board.
7. We received a request for money from the Pequawket Kids Association. We will not act on this as it is past our December 15th deadline.
8. We received a routine notice from Time Warner regarding our contract which expires in 2 years. (Contact is Mike Edgecomb 594-2249)
9. Adjourned at 9:12 pm.
