Attendance- Turf Ramsden, Bob Drew and Stephen Goldsmith. Larry Fox and Tommie McKenzie were also present.

1. We accepted last week's minutes, all voted in favor.
2. James Lyons, the new Recreation Director came in to introduce himself. We discussed some of our concerns.
3. Fran came in to discuss the new post put in by the Korth's on the Swain Road. We believe this is a 1 ½ rod road. A map was made by Turf and a copy of this is in the minutes. We will take no action on this.
4. Steve discussed and reviewed the new HRA Health Plan proposal sent by the Maine Health Trust. We had invited all Town employees to attend and ask questions but no one attended. We will set up a meeting with Debbie Bridges to finalize this. According to the Health Trust no benefits will be lost for the employees but the Town should see some savings in their premiums.
5. Steve presented the Transfer Station figures up to 11/30/11. It appears that the figures are close to last year. Bill Perry had asked for this information. Steve will send this out to Stow and Chatham as a rough draft.
