

SELECTMENS MINUTES

Present; Steve Goldsmith, Bob Drew, Turf Ramsden, Larry Fox Tommy McKenzie .

1. Bill Perry selectman from Chatham and Richard Meserve selectman from Stow came in to discuss the waste stream of meat which the wolf refuge in Chatham is bringing to Lovell's transfer station.
2. Ray Senical and Don Griggs came in representing the Kezar Lake Watershed Association. They are in the process of studying how climate change will effect the watershed and wanted to keep the selectmen informed.
3. Jacob Thurston sent a letter to the selectmen thanking them for the funds awarded to him from the John McKeen Scholarship Fund.
4. The selectmen opened bids for the work to be done on the Fern Drive Bridge. The project was awarded to Drew Corporation who was low bidder. Bob Drew abstained from the vote. Steve Goldsmith also abstained as he does business with Mr. Drew.
5. The selectmen voted to start the process of obtaining water rights for the Lovell Town Hall from neighbors Richard and Linda Legere.
6. Reviewed and signed the warrant.
