Selectmen Meeting Minutes

December, 2018

Attendance; Bob Drew, Steve Goldsmith, Turf Ramsden, Larry Fox, Scott Gardnier, Ella Cressy, Letitia Genest, Tommie McKenzie, Tom Gilmore, Kris Barboza, Tony Gray, and Rod Bartlett.

1. Tom Gilmore (KLWA), Kris Barboza, and Tony Gray (Maine Warden Service) came into report on 2018 lake patrols. A request was made to continue coverage at 2018 cost of \$ 4,700 to Maine Warden Service, KLWA funds a patrol service of their own. A safe and successful season was reported.
2. Rod Bartlett came in to discuss Public Works Sand Policy, Larry has allowed home owners to get sand for owners use, contractors charging for sand must get their own sand. Rod made the point that Severance Lodge was a group of homeowners and should receive town sand, All other associations buy and spread sand through their contractor and it was our opinion that the maintenance service would be liable to provide salt and sand as part of their service agreement.
3. Ella Cressy and Letitia Genest came in to ask some Town Office questions they were not familiar with.
4. We discussed Employee Health Care Costs, as an incentive to not take the town insurance offer we voted to increase the amount to \$2,000 effective Jan. 1, 2019. (3-0-0)
5. Reviewed and signed The Warrant.
6. Tommie reported on LVFD, a continued problem with radio transmission and town employee communication were discussed.
7. Larry reported on Public Works. Larry and Scott Gardnier asked that a clearer policy for vacation and overtime pay be addressed. We asked that employees file all time with Larry and with the Town Office to be placed in employee folders to insure proper time is accounted for.
